

IGNITING THE INNER FIRE

KIRKPATRICK® LEVELS 3 AND 4

PROGRAM DESCRIPTION

Training is still “on trial,” charged with incurring expenses in excess of the value it provides to the organization. Training must reinvent itself and transcend the classroom.

Attend this hands-on workshop to learn tactics for building programs and initiatives that enhance on-the-job performance and impact the bottom line. The information and activities included in this workshop focus on specific tactics at Levels 3 and 4. You will learn ideas that all professionals can implement in their own organizations.

Whether you are new to learning and development or an industry veteran, this workshop will teach you the newest and most powerful ways to implement the four levels, directly from the creators of the Kirkpatrick Model.

PERFORMANCE OBJECTIVES

After this session, you will be able to:

- ◆ Define the true desired result for any program or initiative
- ◆ Determine specific tactics to influence on-the-job behavior for a program or initiative
- ◆ Integrate elements that enhance on-the-job behavior and bottom-line results into a program planning process

COMPLEMENTS THE BOOK

Bringing Business Partnership to Life

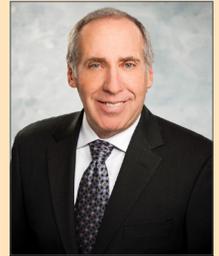

This workshop complements the endearing book *Bringing Business Partnership to Life: The Story of the Brunei Window Washer*, by Jim and Wendy Kirkpatrick.

The book tells the story of Chai, the Brunei Window Washer, and how his experience as an employee was shaped by an organization that truly focuses on Levels 3 and 4.
